eLinear Solutions achieves Silver Certification from Cisco Systems

Leading Arabian Gulf advanced technology consultation and implementation company eLinear Solutions has earned Silver Certification from Cisco Systems for employing some of the industry's best-trained network technicians.

United Arab Emirates: Sunday, July 22 - 2007 at 11:11   PRESS RELEASE

Headquartered in Dubai, United Arab Emirates, eLinear Solutions Middle East is a systems consulting and implementation leader and a Cisco Silver Certified Channel Partner.

The channel partner program provides eLinear Solutions with the resource framework to develop an expertise to sell, plan, design, implement and operate Cisco networking solutions. To earn Silver Certification, eLinear Solutions had to meet or surpass the stringent personnel, training, customer satisfaction, specialization, and post-sales support requirements set forth by Cisco.

Ramzi Nassar, President, eLinear Solutions Middle East.

'Cisco is committed to creating the tools, training and programs that help drive channel partner profitability through improved productivity and return-on-invested capital,' said Adrian Taylor, Channel Regional Sales Manager, Gulf Region for Cisco. 'With specializations in Unified Communications and Security, eLinear Solutions has secured the training, skills and knowledge to play a pivotal role in accelerating the adoption of Cisco technology solutions.'

The program delivers state-of-the-art technical and sales training so that certified partners can increase their ability to deliver services related to the latest Cisco technologies for maximized productivity.

Cisco Silver Certified partners are recognized and rewarded for employing some of the industry's best-trained network technicians who can demonstrate their expertise in planning, designing, implementing and supporting Cisco network solutions. These teams of network technicians are audited annually to ensure that they consistently deliver

industry-leading support and maintain the rigorous Cisco standards for network expertise and support capabilities.

'We have made tremendous amount of progress and traction at record speeds and much of that can be attributed to the support of the Cisco team in Dubai. Leveraging industry best practices and proprietary methodologies, eLinear remains committed to being the leader in delivering advanced technology solutions to corporations, hotels and office towers with a keen eye on ROI and unrelenting customer support in Dubai and throughout the GCC,' stated Ramzi Nassar, President, eLinear Solutions Middle East.

Cisco Silver Certified partners provide technical services to their clients with one-hour response time for problem resolution and 24-hour on-site response capabilities. These rigorous support requirements highlight eLinear Solutions' commitment to supporting its strategic business network and sustainable business models.
